

## 5 Year Limited Warranty

T701 Wind Turbine  
X3001 Inverter  
S2001 PV Link™  
B801 REcharge™  
Econotower™ Kit

1. What Does this Limited Warranty Cover? This Warranty applies to the Pika Energy T701 wind turbines, blades and electronic components and the Pika Energy X3001 inverter, S2001 PV Link™, and B801 REcharge™ charge controller (the “Products”). This warranty also applies to the Pika Energy Econotower™ kit. Pika Energy warrants that, during the Warranty Period (defined below), the Products will be free from material defects in design, workmanship and materials, provided that Products are used in the normal course for the purpose for which they are intended (the “Limited Warranty”).

2. How Long Does this Limited Warranty Last? The “Warranty Period” for the Products is sixty (60) months. The Limited Warranty commences on the earlier of either a) the date of Product installation or b) three [3] months after Pika Energy ships the Product.

3. What Remedies Does Pika Energy Provide? In the event that the Product does not conform to the Limited Warranty during the Warranty Period, Pika Energy will, as its sole and exclusive obligation and sole and exclusive remedy:

- (i) repair or replace, in Pika Energy’s sole discretion, defective components or assemblies; and
- (ii) pay two-way standard shipping charges for defective components or assemblies via freight carrier and method selected by Pika Energy, provided that the shipping origination and destination sites are located within the contiguous United States.

If Pika Energy elects to repair or replace any defective Product, Pika Energy will, at its option, use new and/or reconditioned parts in repairing or replacing the defective Product. Pika Energy reserves the right to use parts or products of original or improved design in the repair or replacement of defective Products. If Pika Energy repairs or replaces a defective Product, the Limited Warranty will continue with respect to the repaired or replacement product for the remainder of the original Warranty Period or ninety (90) days from the date of Pika Energy’s return shipment of the repaired or replacement product, whichever is later.

4. What is Excluded from this Limited Warranty? The Limited Warranty does not cover, and Pika Energy will not be responsible for, any of the following:

- Shipping damage or damage caused by mishandling by the freight carrier and any such damage is the responsibility of the freight carrier;
- Towers and equipment, materials or supplies not manufactured or supplied by Pika Energy;
- Pika Energy equipment that has been installed without proof of correct installation, as documented with photographs, per the Pika Energy Installation & Service Manual.

- Pika Energy online performance monitoring dashboard;
- Pika Energy equipment that has been modified without prior factory approval;
- Repairs or shipments performed prior to obtaining Pika Energy Return Material Authorization (“RMA”).
- Damage resulting from use of equipment not supplied by Pika Energy;
- Damage due to abuse, misuse or negligence of the dealer, installer or end user;
- Damage or loss of function sustained during periods when wind speed exceeds 60 m/s (135 mph);
- Acts of God;
- Damage caused by failure of anchors or foundations since Pika Energy has no control over local soil conditions;
- Damages due to improper installation, including but not limited to use of non-approved towers, lack of proper grounding, and lack of lightning arrestors; or
- Incidental or consequential damages.

5. How Does State Law Apply? This Limited Warranty gives you specific legal rights. You may have additional rights that vary from state to state.

6. Is this Limited Warranty Transferable? This Limited Warranty is transferable, provided that there is proof of correct installation as documented with photographs per the Pika Energy Installation & Service Manual. The Limited Warranty is void if the installation of the Product is not documented.

7. How Does a Customer Obtain Warranty Service? To obtain repair or replacement service, credit or refund (as applicable) under this Limited Warranty, the customer must comply with the Return Merchandise Authorization Number (RMA) policy and procedure, as outlined in the User Manual. To obtain warranty service, contact Pika Energy. Send email to [service@pika-energy.com](mailto:service@pika-energy.com) or call 207-887-9105. Additional instructions on the RMA process are set forth in the User Manual.

8. Disclaimer and Limitation of Warranties and Liability. THE LIMITED WARRANTY IS PIKA’S SOLE AND EXCLUSIVE WARRANTY AND EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT AND TO THE FULLEST EXTENT PERMITTED BY LAW, PIKA ENERGY MAKES NO WARRANTY, REPRESENTATION OR COVENANT, EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING, WITHOUT LIMITATION, THE PRODUCTS, AND THE DESIGN OR CONDITION OF ANY PRODUCT. TO THE FULLEST EXTENT PERMITTED BY LAW, PIKA ENERGY SPECIFICALLY DISCLAIMS, WITHOUT LIMITATION, ANY STATUTORY WARRANTIES, EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NONINFRINGEMENT. PIKA ENERGY NEITHER ASSUMES NOR AUTHORIZES ANY OTHER PERSON TO ASSUME FOR IT ANY OTHER OBLIGATIONS OR LIABILITIES IN CONNECTION THE PRODUCTS.

Because performance varies by season and location, Pika Energy does not guarantee a specific level of productivity. Pika Energy does not warrant or represent that the Product does not infringe any intellectual property rights of third parties. No employee, agent, dealer, or other person is authorized to offer warranties on behalf of Pika Energy. Pika Energy reserves the right to make design changes, improvements and additions to its products without obligation to install such in products previously manufactured.
