

RGE 400

Total Comfort

A total capacity of 7.9 cu. ft. with a separate frozen food compartment of 1.7 cu.ft. offer you maximum storage capacity.

- Runs on gas and electricity
- Rust-proof, wire-grill adjustable shelves
- Inner door with 4 adjustable racks
- Bottom rack for 2-litre bottles with magic fingers
- Interior lighting
- Interchangeable door hang
- Easy-to-hold door handle
- Control panel with fuel selector, combined electric and gas thermostat, piezo igniter and flame safety valve
- 120 Volts (60 Hz)
- Choice of White or Bisque

Cool Comfort Everywhere

A Dual Energy Refrigerator operates completely secure and absolutely safe, noiseless and maintenance-free. Doors and cabinets are made of galvanized steel, the walls are fully insulated with freon-free foam and provide excellent cooling performance. Dometic factories are certified ISO 9001, ISO 9002, ISO 14001 and are compliant with the Eco-Audit - protecting the environment in addition to ensuring top quality.

Thanks to an easy-to-hold handle, the doors open and close firmly at a touch.

Generous bottle racks inside the door with patented "magic fingers" prevent bottles from moving.

Interior battery lighting ensures a good view even in the dark of night.

Important: Refer to product manual for proper installation and operation.
